
Joyce joined the MICE volunteer team 15 years ago, working on the outreach vehicle, and has also been with CResCent since it opened in 2003. She works in the Centre on a Wednesday morning and all day Thursday manning the Reception and Coffee Bar.

In addition, she is on the main Board of Trustees for CResCent and the Publicity and Outreach Sub-Committee. Also, she is actively involved with the Reception Desk and fund raising.

Joyce has a background in book-keeping skills which she puts to great use, helping with the payroll and training other Committee group volunteers with theirs. She is an asset to the CResCent and a great personal support to the Centre Manager.
