

PRESS RELEASE

The Town Clerk, Philip Truppin, presented a report to the Amenities & Leisure Committee which showed that the outturn of income received from hiring the Radstock Lane Community Centre and the Maiden Place Community Centre in 2009/10 was very comparable with the previous year, despite the downturn in the economy. In response to Members' questions, the Town Clerk did say that there was a little spare capacity, particularly at Maiden Place Community Centre, and enquiries from new hirers would be most welcome.

The Community Centres are available for hire 7 days a week and can provide a suitable venue for small meetings, club activities and keep fit, as well as being available for private hire for parties on a one-off basis.

In the first instance, any enquiries concerning hire should be made to the Town Council Offices on 0118-9868-995.
