EARLEY TOWN  
COUNCIL

## TOWN COUNCIL ROLLS FORWARD ON CYCLE TRACK

Councillors at Earley Town Council considered the proposal from its Amenities & Leisure Committee that the Council proceed with a proposed BMX/Cycle Track at a site located close to Paddick Drive. In response to a wide residents' consultation, the results had indicated two thirds of the responses in favour of the proposals.

Councillors at the Town Council meeting considered representations and questions from residents in the Paddick Drive and The Manor estate areas but, when the matter came for debate, there was an overwhelming majority to proceed with the facility.

Councillors then resolved to proceed to a planning application which would be submitted to Wokingham Borough Council. If this planning approval is granted then the BMX/Cycle Track will be built on the site, once weather conditions permit, next Spring.
