

HAVE YOUR SAY ON CLIMATE CHANGE

We are encouraging local residents of all ages and communities to join in the climate conversation in the lead up to COP26.

Simply fill in one of our picture postcards with a question or a comment on your thoughts about climate change and hand it in to our Helpshop.

All completed postcards will be delivered to Alok Sharma MP who is the President for COP26.

COP26 is the United Nations climate change conference which is being held in Glasgow between 31st October–12th November 2021.

***Ask our Helpshop for your postcard and
have your say***
