STATEMENT OF REASONS

A number of road safety concerns have been raised by ward members and residents in regard to problems caused by drivers parking at junctions and bends at various locations in the borough. Inconsiderate parking associated with school pick up and drop off activities has also been one of the concerns being brought to Wokingham Borough Council's attention.

These practices often lead to reduced visibility for both drivers and pedestrians and prevent the free flow of traffic, creating an unsafe environment for drivers and other road users. Wokingham Borough Council therefore proposes to make the above Amendment Order to introduce new parking and waiting restrictions as follows:
