## **Notice of Urgent Road Closure – 17<sup>th</sup> – 21<sup>st</sup> March 2025**

Dear Sir/ Madam,

### **Beech Lane, Earley – Urgent Carriageway Repairs**

I am writing to inform you that we will be carrying out urgent carriageway repairs on Beech Lane, Earley.

To enable these works to be carried out a road closure on Beech Lane, Earley (between Wilderness Road and Squirrels Way) will be in place between **09:30 to 15:30 on Monday 17<sup>th</sup> to Friday 21<sup>st</sup> March 2025** to enable our contractors to carry out these works safely.

**Due to the nature of the works being undertaken, entering, or exiting your property/business may be very restricted and subject to prolonged delays. To ensure works take place efficiently, please refrain from parking or leaving any obstruction on the road on the days of the proposed works, if you require access out during the closure time, please park outside the works areas prior to works start time as road may be blocked for long periods, if you need further assistance please speak to contractors on site. Blue light vehicles will have access in emergency.**

### **Private works**

Please be aware that we have on occasions experienced situations where other contractors have claimed to be working for the council and have offered to undertake resurfacing of private driveways.

The Council's contractor has been instructed that they will not carry out private works. Please be aware, therefore, of anyone claiming to be Wokingham Borough Council's contractor and offering to resurface your driveway. May we suggest that you only use recognised professional contractors and verify their identity before agreeing to this type of work.

### **Contact us if you need help**

May I apologise for any inconvenience these essential works may cause. Every effort will be made to keep disruption to a minimum. Should you have any queries, or have special needs, please call 01189746000 and select the 'highways' option (9am to 5pm Monday to Friday).

Yours sincerely
